Family Update 7.28.2020

Dear Family & Friends:

We continue to have zero diagnosed COVID-19 cases among members and staff!

This past weekend, the Combat Veterans Motorcycle Association hosted a fund-raiser for our members, like they do every year. The 72 motorcycles drove by the Veterans Home to honor our members on Saturday. Thank you to the Combat Vets for their support.

After consultation with Public Health and guidance from the State of Wisconsin, we will begin our outdoor Gazebo Gatherings on Monday, August 3rd. These 30 minute visits will need to be scheduled with the receptionist. The visits will occur Monday – Friday, weather permitting, with no more than 2 visitors at a time. The visits will be scheduled from 10am until 2pm, with visits starting on the hour. We ask that you only schedule 1 visit per month per member as to ensure all members get an equal opportunity to see their loved ones, too. There is specific guidance that visitors will need to adhere to, such as: screening and temperatures taken, wear masks at all times, social distancing at all times, and use hand sanitizer before and after your visit. Please keep in mind that if we have a Covid case among staff or members, these visits will cease until we can safely resume.

Attached is the letter that was sent out today to the first emergency contacts for each member. Please call 715-720-6775 to schedule your visit.

As always, I welcome you to contact us with any questions.

Thank you and be well,
